

HOW WE SAFEGUARD YOUR RENTAL PROPERTY

We make it easy to manage repairs and maintenance.

At Property Frameworks, we take as much pride in your property as you do. It's not just an investment but a place that people call home and create lasting memories. As with any property, maintenance is a given, which is why we work closely with you to handle tenant requests and make sound maintenance decisions. Our professional property management services include:

1

Rental Property Inspections

Whether it's a move-in or move-out inspection, our property managers will advise you about all issues and provide guidance on the best way to move forward. While keeping your tenant satisfied and your property protected. In addition, you have the ability to review all move-in and move-out inspections through digital photos on your online portal.

2

Professional Maintenance Resources

Our vast network of licensed contractors are always ready to repair and maintain your property. From a minor lock change or a major sewer line repair, we have you covered. We have many partnerships with national vendors which provide you with discounts on appliances, flooring and much more, all designed to support your bottom line. All completed and subsequent vendor invoices are submitted for thorough review by your property manager for quality and accuracy.

3

Prompt Repair Services

Being readily available is everything when your investment property requires repairs. Our tenant repair hotline is available 24/7. We're always here for your tenant and property. We immediately evaluate the repair request to identify if it is an emergency or next day repair issue, saving you time and money while protecting your assets around the clock.
